S I R :

Applicants filed an Information Disclosure Statement (IDS) on January 31, 2002. A copy of the IDS, as filed, and the returned postcard are enclosed. This IDS, although properly and timely filed, does not clearly indicate that all cited references have been considered.

The Form 1449 of the above-noted IDS was returned by the Examiner. But, the Examiner initialed only one of the three cited references. To avoid any possibility of confusion or misunderstanding, Applicants request that the Examiner also place his initials next to the other two references; namely, 2000-117738 and 2000-44966, indicating that these references have been considered by the Examiner.

It is respectfully requested that issuance of the above-identified application be suspended until the IDS has been considered.

Respectfully submitted,
